

# Relatório

**Componentes da equipe:** Caio Lucius Nascimento Sales – 12722117059, Adailton Lima Santos Segundo – 1271229962

## **Informações gerais do projeto:**

O projeto foi escrito em HTML5, CSS3 e JavaScript. O nome do nosso protótipo é **Pixel Pages** e tem como finalidade gerenciar jogos que o cliente cadastra. O protótipo possui por volta de cinco páginas no protótipo inicial, sendo elas: Tela de login, Tela de cadastro, homepage do site e perfil do jogo.

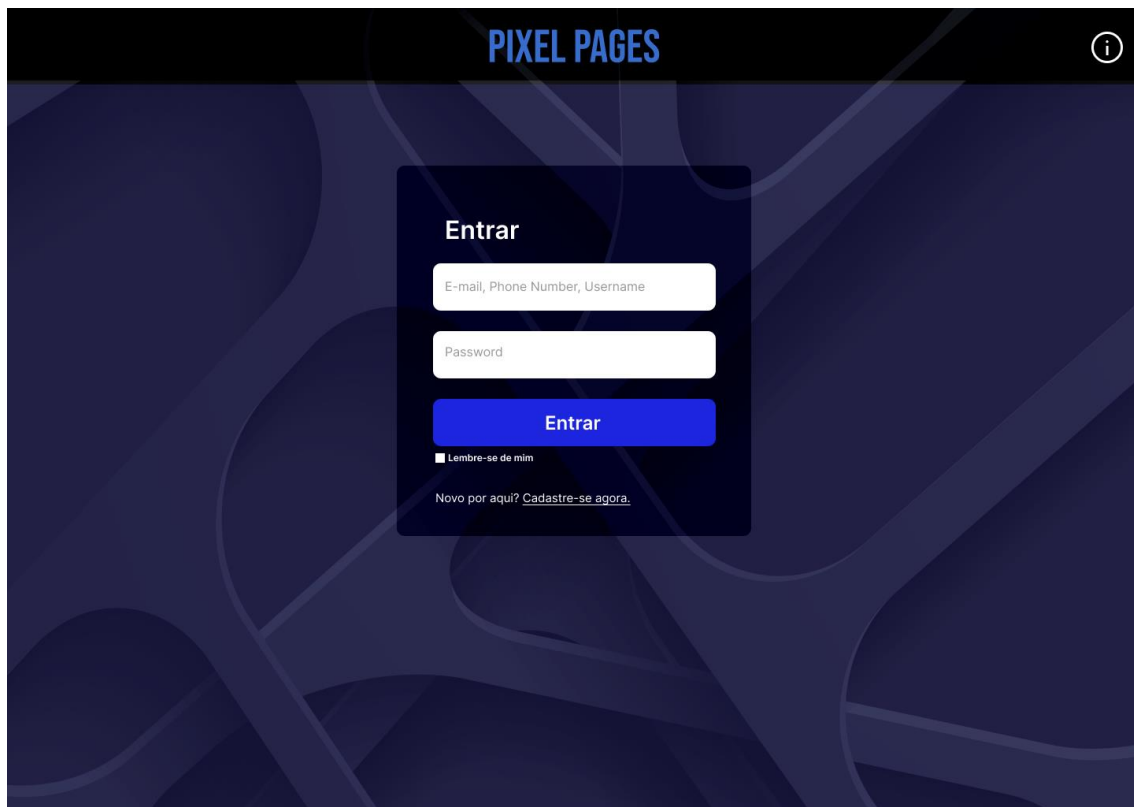

## Wireframes:

*Background Panel*

A light gray rectangular panel with rounded corners. At the top, the word "Entrar" is written in bold black text. Below it are two white input fields with rounded ends; the first contains the placeholder text "E-mail, Phone Number, Username" and the second contains "Password". Under the fields is a dark gray button with the word "Entrar" in white. Below the button is a small checkbox followed by the text "Lembre-se de mim". At the bottom, the text "Novo por aqui? [Cadastre-se agora.](#)" is displayed, with the link underlined.
